

Happy Summer!!

I hope this finds everyone resting; finding time to stop and enjoy God's wonderful creation around us and spending time on the beach building sandcastles or chasing seagulls with your children. I hope you have picnics and bicycle rides, time at the pool and time at home reading and relishing in the endless lazy summer days.

We had a wonderful, blessed school year and are so thankful and appreciative for each life that we were able to touch.

Our summer break gives us time to regroup and touch up the preschool where needed. We look forward to August when all of the classrooms will be new and fresh once again.

We are continuing registration at a steady pace, and still have openings in the Two-Year-Old classes and in the Tuesday/Thursday and Monday/Wednesday/Friday Three-Year-Old Classes. Also there are plenty of openings in Kindergarten. If you have not secured a spot yet for your child, please contact us ASAP.

The first day of Kindergarten this year will be August 18, 2010. Orientation is set for Monday, August 16th at 7:00 p.m. in the Worship Center in Building A.

The first day of Preschool is set for August 30 2010. Each child's teacher will be contacting parents towards the end of August to set up classroom visits for the week of August 23rd. This is a great one on one time for your family to get acquainted with your child's teachers, and for your child to familiarize him/herself with the classroom and teachers. You will receive your parent handbook, and paperwork to fill out at this time. Orientation for Preschool will be held in the Worship Center in Building A at 9:15 a.m. on Monday, August 30th, and Tuesday, August 31st. Attendance is required by at least one parent of each child.

Please remember that Blue Immunization forms must be kept up to date, and Physicals must be renewed every two years. Also the school must have a copy of your child's birth certificate on file. These items are due the first week of school.

Please feel free to contact me if you have questions, or need information. We are so blessed to have you all as a part of our family.

In Christ,
